**THE WILD BEER CO**  
— at —  
**WAPPING WHARF**

A love of flavour is at the heart of the Wild Beer brewery and everything we do as a company. Enjoying food and drink together is our favourite pastime and the reason for starting this business! The brewery is based at Westcombe Dairy in Somerset, where oak barrels of beer and wheels of Cheddar slowly mature in neighbouring buildings.

Like so many of our drinks the menu takes classic flavours and gives them a Wild Beer twist of inventiveness, after all we have reinvented beer so food should be easy right?

**EAT & DRINK WILDLY DIFFERENT**
